

**REMARKS**

Claims 1-13 are pending in the application. In the Office Action dated June 16, 2005, the Examiner allowed claims 1-8 and 10-12 and rejected Claims 9 and 13. Applicant has amended claims 9 and 13. No new matter has been added as a result of this amendment. Reconsideration and allowance of claims 1-13 are respectfully requested.

**Claims**

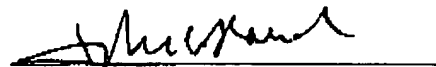

Claims 9 and 13 are rejected under 35 USC § 101 because the claimed invention is directed to non-statutory subject matter and the claims are directed to a computer program element not embodied in a tangible medium.

Claims 9 and 13 have been amended to recite a computer architecture, and as such, now overcome the rejection.

Applicants gratefully acknowledge the allowance of claims 1-8 and 10-12.

In view of the response above, Applicants respectfully submit that all of the pending claims are in condition for allowance, as well as the application, and seek an early allowance thereof.

Respectfully submitted,

John G. Rauch  
Registration No. 37,218  
Attorney for Applicants
